Obituary

Doris Borrero Gonzalez

Doris Borrero Gonzalez graduated into glory January 17, 2021. She was born March 24, 1946 in Ponce, Puerto Rico, to the late Bernardina Cruz. She joins her mom and brother, Guiso in her heavenly home. She leaves to cherish fond memories her beloved devoted husband of 49 years, Clotilde Gonzalez, her devoted son Caleb, her dedicated daughter Sarai and son-in-love Jonathan Pacheco. Doris was the youngest sister of eight siblings, Emilia (aka Miling/Maggie), Guiso, Papo, Nato, Walter, Filo & Carlos Luis. She often referred to her only sister as her "mami", and her nieces, Damaris, Enid, Delia, Yvette (aka Guga) & Persida, as her own. She leaves behind a host of nieces and nephews. She served her council, Asamblea Iglesias Cristianas and church, Obra de Dios Pentecostal AIC, for more than 55 years as a missionary and in multiple capacities. Thoughts of her bring many smiles, much laughter, joyful songs & a serving heart. It is the mark she has left; A Joyful Servant "en Victoria"!

Special Thoughts

"The greatest mom that went out of her way to help out people because that was the person she was."

-Caleb Gonzalez, First-born son

"It was an honor to be your daughter and taking care of you was the greatest, just like you took care of me. You had a heart of gold so genuine and pure and I will never forget you. I will do my best to follow those footsteps and I promise that I will take care of Papi and Caleb."

-Sarai Gonzalez Pacheco, Daughter
